DEDICATION

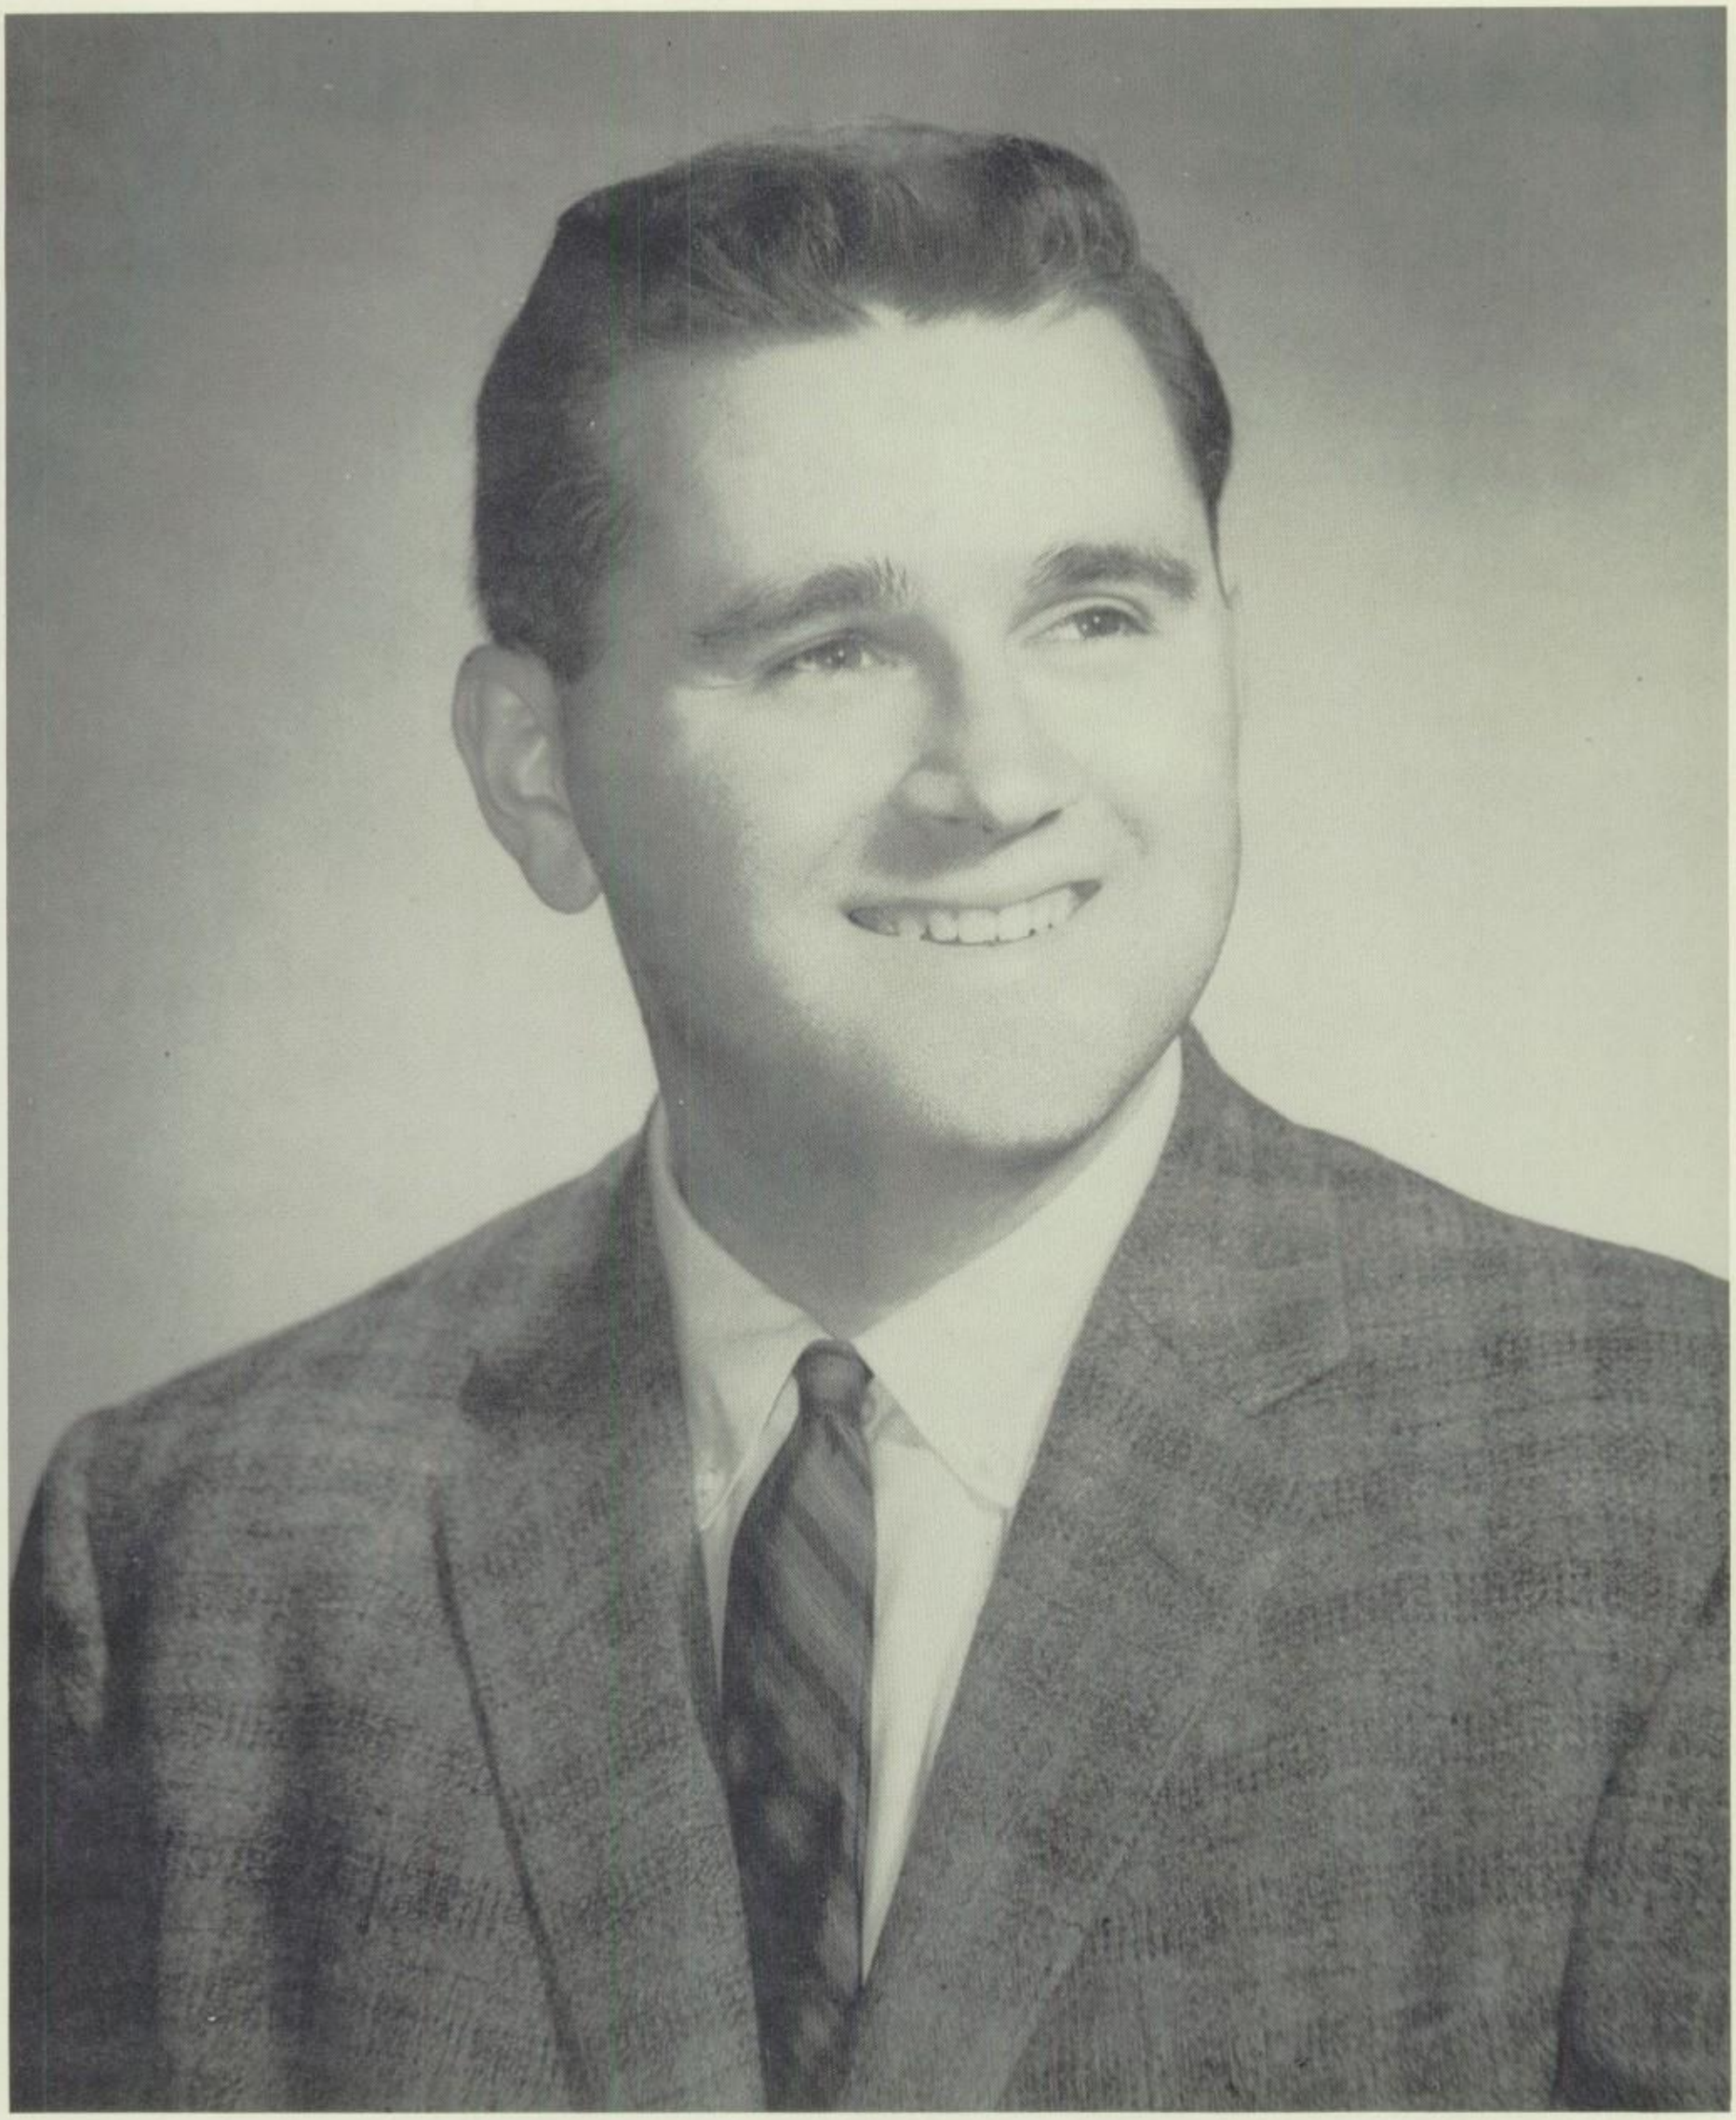
Mr. Ted Kilman's continuous work and service to our school since he began teaching at Keppel in 1954, have placed him in the high esteem of many Keppel students. He has been advisor of the school newspaper, the "Aztec," for his seven years at Keppel, and has been advisor to the "Teocalli" staff for the past four years. Aided and supported by various other members of the faculty, he began the Mark Keppel literary magazine, "Idea," in 1957. He has also helped in the development of "Retrospect," the senior magazine.

Working as advisor on these literary organizations, he has created an atmosphere of nearness with the staff members. His great sense of humor, unending patience, and wonderful understanding of the students have been an inspiration to us all.

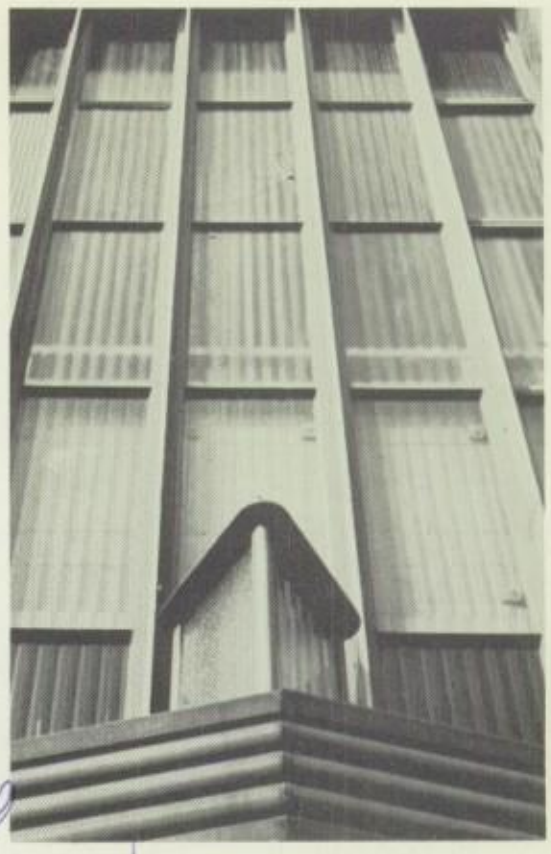
It is the thought of those on this year's Teocalli staff that the person chosen by the staff for recognition should receive such an honor only if it is well deserved.

For this reason, it is with deep pleasure and great pride that we, unforeseen by our advisor, do dedicate this 1962 annual to Mr. Theodore Kilman.

Parting is such sweet sorrow!



AURA OF T



THE AZTECS

Ancient Aztecs brings to mind numerous ideas, like colorful, active and picturesque cities adorned in gold. These were all part of the Aztec culture, but perhaps the most prominent characteristics of the Aztecs was honor. Honor won wars for them, gave them the confidence that they needed in order to rule over people as well as further advance themselves, and honor created the empire and culture which is so well known today.

The Aztecs were indeed an illustrious people. The Aztecs of Mark Keppel also exhibit this spirit which our "ancestor" Aztecs did. This spirit is expressed in the yelling at football games, the confidence of Keppelites for their school when in competition, and especially the individual pride which each Keppelite feels toward Mark Keppel. The ancient Aztecs were truly a colorful and illustrious people. As each student enters the halls of Mark Keppel for the first time, he is enveloped in the spirit and pride which is the aura of the Aztecs.

MARK KEPPEL HIGH SCHOOL

Bev -
It's been fun for me this
year, and can't wait to see you more
around. Have a real "cool" Xmas
fun - this summer, and be good. Good
Luck in the future.

Love -

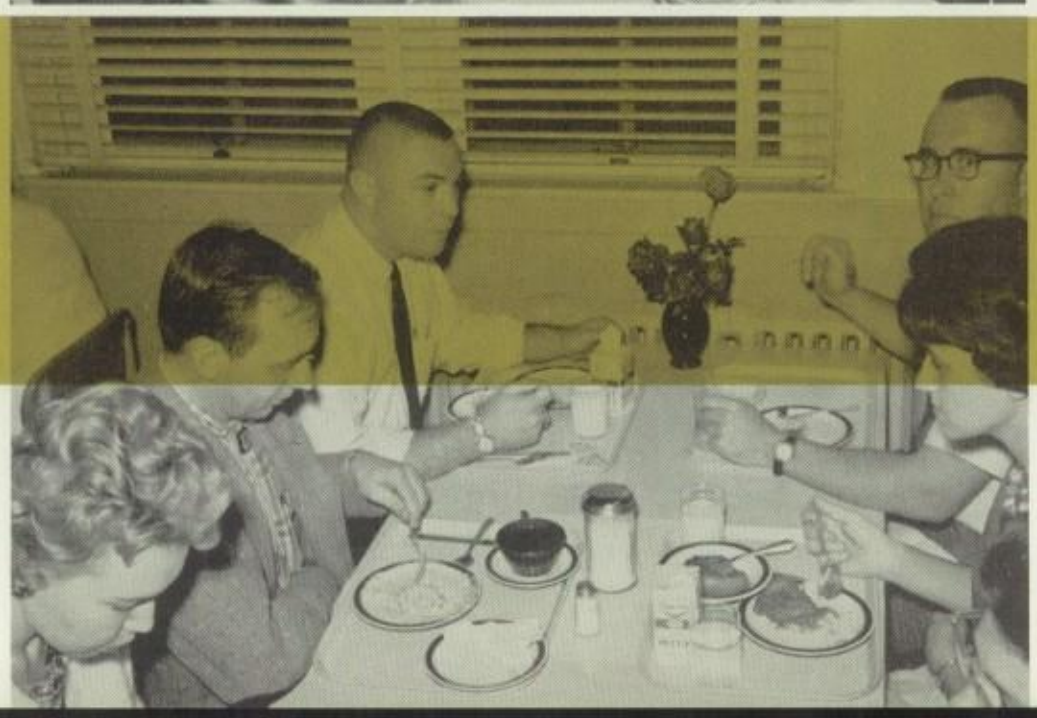
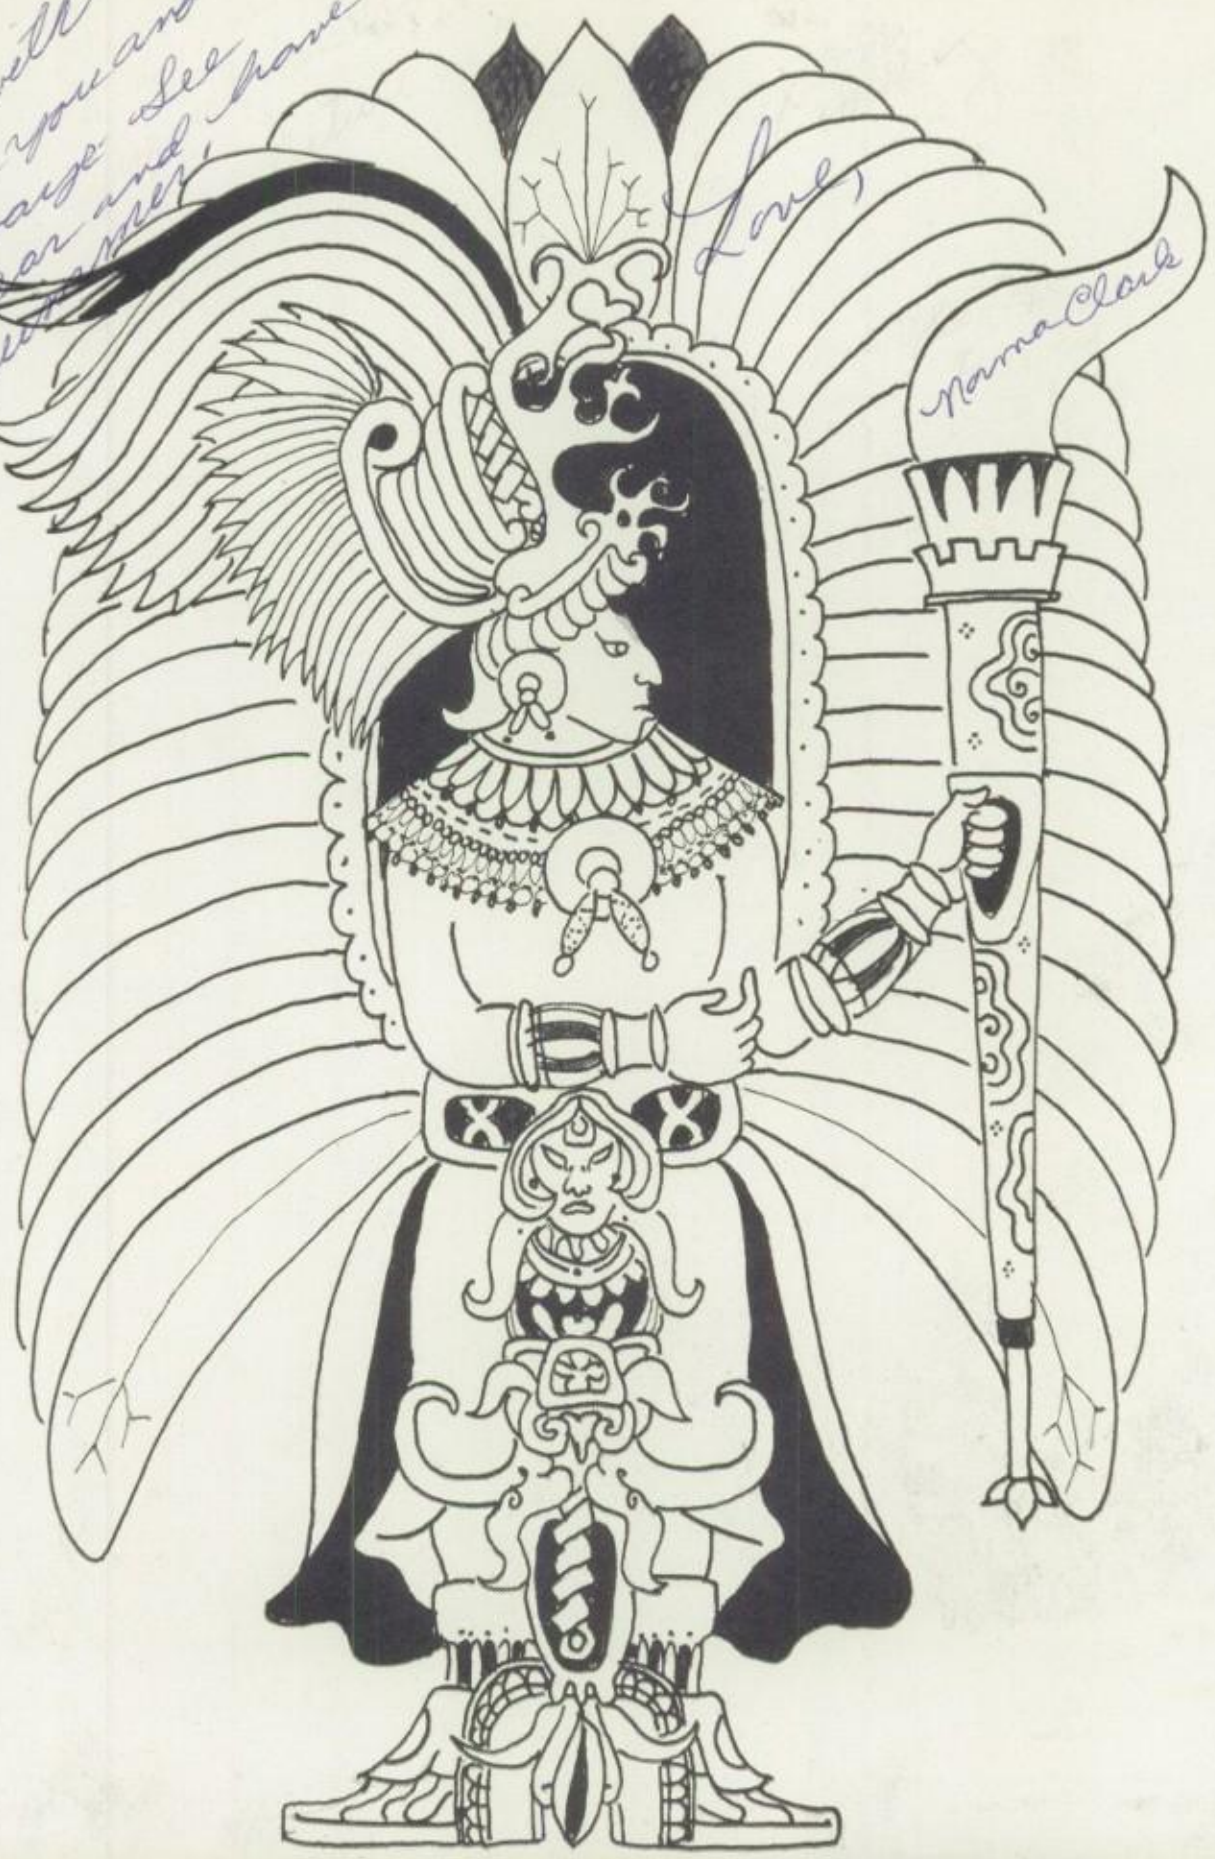
of anything to write!)



ADMINISTRATION·FACULTY



BOARD OF EDUCATION

The Alhambra Board of Education is a civic-minded, efficient group of private citizens, who are elected from the community. The five members generously give time and energy in the operation of our school district.

The Board spends much time broadening the scope of academic opportunity of the individuals attending our schools. Their's is a difficult job: they must be constantly looking for better teaching methods, they are responsible for building improvements, books, and supplies. Their fine work is reflected here at Keppel.

MR. CLARKE

MR. FLUSTER

MRS. MATHER

MR. WESTERFIELD

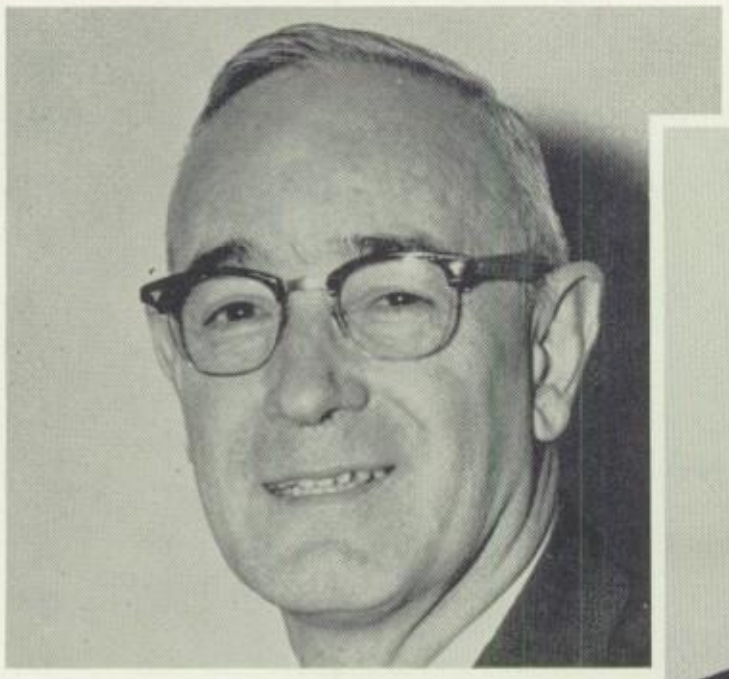
MR. CLAY

President

BOARD OF SUPERINTENDENTS

MR. STOKESBARY
Superintendent of Schools

MR. ENSZ
Assistant Superintendent

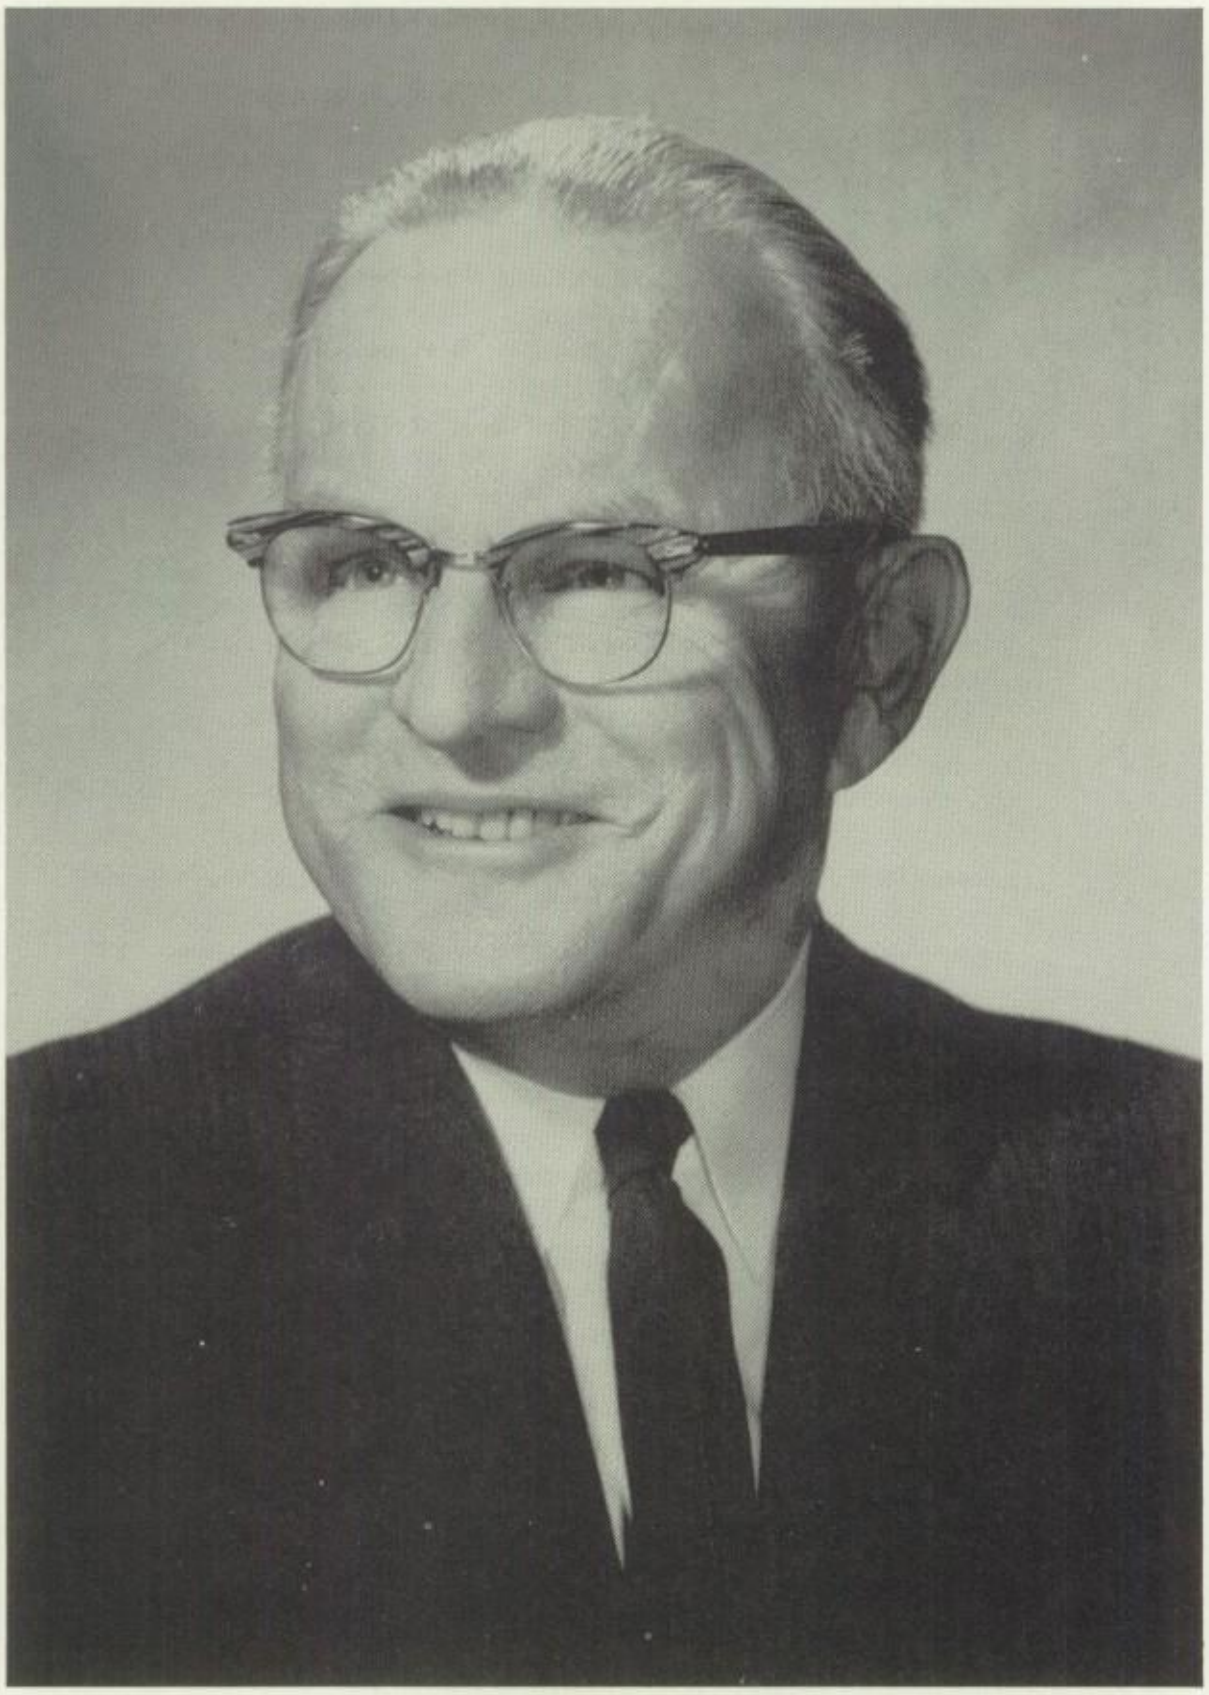


MR. GRAY
Assistant Superintendent

MR. SCANLON
Assistant Superintendent

These four men have the job of supervising and administering the entire Alhambra school system. These four men, with Maurice Stokesbary as Superintendent, work efficiently and quickly to carry out their duties. They are the ones who aid in the choice of the curriculum we use. They handle the district, and make decisions which greatly effect the student's welfare.

OUR PRINCIPAL



Mr. Bruce Lawson serves as principal for Mark Keppel High School. After achieving success in teaching and other administrative capacities, he has guided the "ship of state" for the past twenty years.

As Principal, he must be constantly aware and ready to handle everyday problems which arise at school. His position enables him to understand better than anyone, the intricate pattern of our daily life at Keppel.

With his help, and advice, he has encouraged the student-body, and its government, and has won respect from everyone here at Keppel.

ASSISTANT PRINCIPALS

MR. KEMP

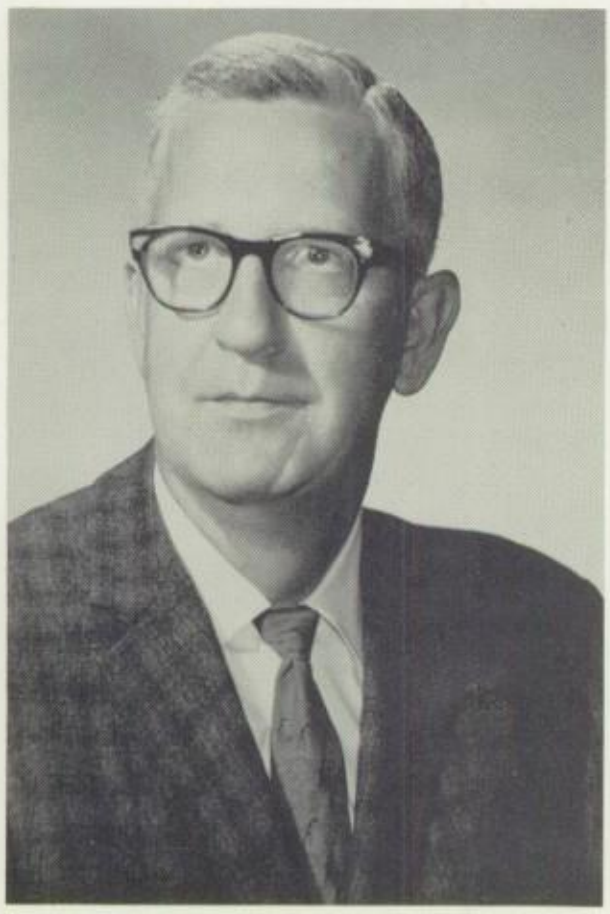
This year Mr. Kemp is under the title of Assistant Principal in charge of Business and Activities. He performs these duties with a vitality that radiates his interest in the school. It has been under his direction that Mark Keppel has acquired one of the most effective student-body governments. He coordinates the affairs of all student-body organizations including the athletic program, and school publications. He also supervises the handling of school funds.

In the seven years he has been at Keppel he has been dedicated to elevate the school's standard in everyway. By spending his time and thoughts to achieve this goal, he has proved that he is "the man for the job."

MISS ARZT

Miss Arzt, our Assistant Principal in charge of Pupil Personnel, has enabled many Keppel students to understand their problems and consequently to solve them. Her twenty-two years in association with students has provided her with a deep knowledge for these problems. When Students come to her she readily assists in analyzing their situation.

The duties she so completely performs include directing and coordinating the program of student discipline and testing, and the school's health services. Miss Arzt is indeed an important and certainly appreciated part of our school.



DR. LUTTRELL

A new office has taken its place in the ranks of the Mark Keppel High School administration this year. This position; Assistant Principal of Curriculum and Instruction, has been ably filled by Dr. Luttrell. The activities of this office involve discussion with members of the faculty concerning the best teaching methods.

Dr. Luttrell holds a great responsibility. Since he is the first person to hold this position, he cannot carry out his activities according to the examples set by predecessors.

The manner in which he performs his duties will decide the success or failure of his position. Armed with his easy-going, congenial manner, he has successfully overcome every obstacle set in his path.

Very happy in his new position, Dr. Luttrell has only one regret; that he is no longer in direct contact with the students.

COUNS

Bev.
It has been fun having you in the 10th & we have a fab time next year. Good luck in everything you do

Miss Fujii, Mr. Bisetti, Mrs. Becker, Mr. Anderson

MR. FREEMAN
Head Counselor

No one knows better the difficulties of each student of Mark Keppel, than the counselors. They have taken on the, "not so easy task", of advising a student in his course of study.

There are 2700 separate and completely different problems to solve. Each is complex and requires concentration for many hours. The counselor is continually searching for the right subjects for the individual to add to his program and is solving the never-ending problem of schedules. In addition to making the original program, the counselor must handle hundreds of program changes and transfers.

As these problems subside, others arise. But the counselor will meet these as they come, and send his students into the world fully prepared for the problems to be faced there. Consequently, the student becomes a credit to himself and his school.

Who will be queen?

Promptly at 8:00 p.m. the evening's festivities commenced as the Aztecs clashed with their cross town colleagues, the Alhambra Moors, for their traditional rivalry. After the five hopeful co-eds greeted the crowd, they were escorted to the platform to await the coronation ceremonies.

The big moment finally arrived as the gun went off at half-time. Tension mounted as the sealed envelope, which contained the Queen's identity, was opened by our Principal, Mr. Bruce Lawson. He then had the honor of crowning Miss Carole Carone as our Homecoming Queen of 1961.

One of the big activities planned and coordinated by Cabinet was the sale of candy bars. This was done in order to raise money for the National Association of Student Councils, who will have a convention in San Gabriel in June. The candy sale proved to be a big success as it raised $1,300.

The Girls' League is one of the most active organizations on campus. This distaff group sponsors various days that create interest and enthusiasm. Assistant Principal Marion Arzt sponsors the group and her energy is reflected in the rapid pace of the group.

Shelia Green was responsible for the leadership during the fall months of the school year. Melinda Scott served as leader during the second semester. The group represents Mark Keppel at various national conventions and area-wide meetings.

The ability of the females on the campus is represented by the fine quality of this group. Each member represents the feelings and attitudes of their grade levels. Every year the girls, by their enthusiasm and interest, vote for their choice for representation.

The Boys' Federation is an active group on campus. The all-male organization provides entertainment and representation in student activities.

Jim Lyon headed the group during the first semester and proved a capable leader of the large group.

Gary Yanik carried the lead during the spring half of the year and climaxed a full and interesting semester.

The group, still in its infancy, is planning new and bigger things for the coming years. Each member of the federation has established a tradition for all members of the student body to live and build upon. The future looks bright for this group, and capable leaders are being groomed to handle the next year's helm.

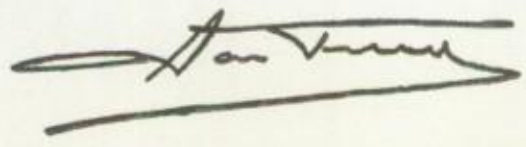
America is wonderful! This is the thought that seems to most adequately express my feelings of my past year at Mark Keppel.

It was little more than a year ago that I first became interested in the American Field Service and applied for the foreign exchange program. Little did I realize then the new and exciting life which would be opened to me, an experience which I now know to be one of the most rewarding in my life.

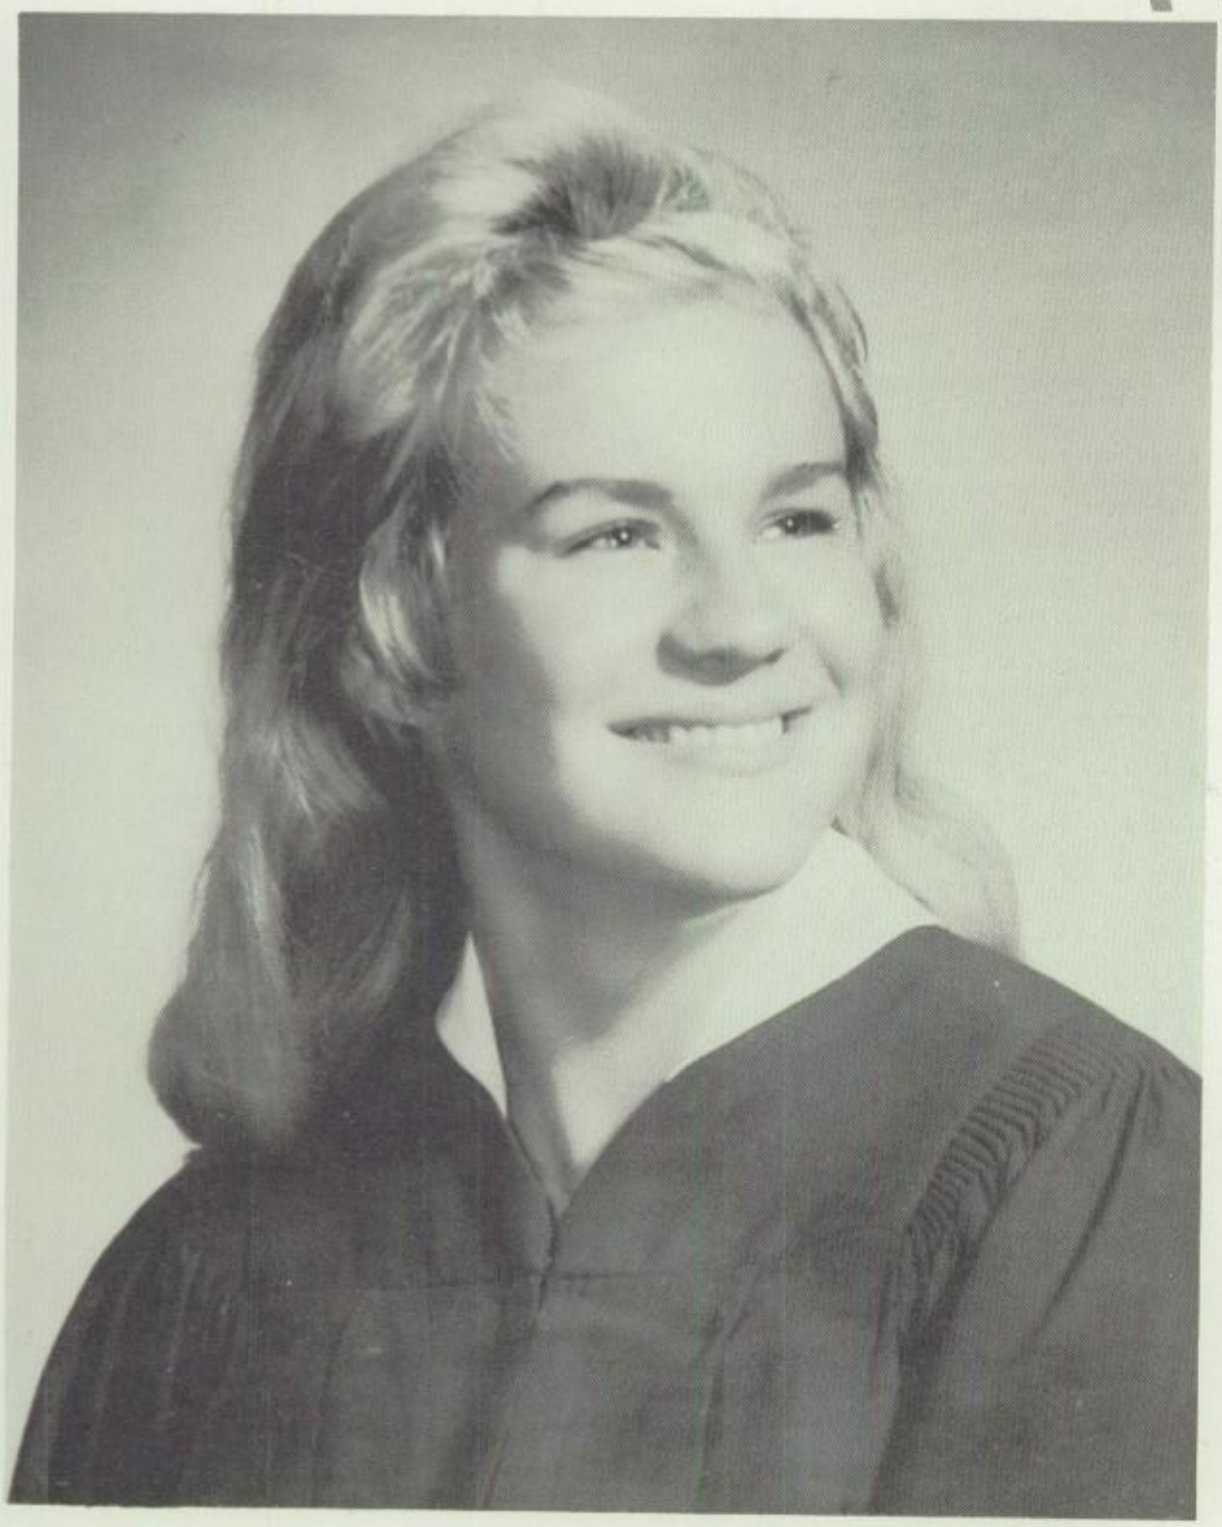
Now, more than anything, I wish to thank everyone for making my visit with you possible and my life here so enjoyable. I feel that I owe a special vote of thanks to all of my teachers, and I want especially to express my sincere thanks to Mr. Lawson and Dr. Lutrell, whose help and advice have been in valuable to me.

In returning to my home, my fondest wish is that you will remember kindly that foreign exchange student from Belgium. Thank you again so much, boys and girls, for all of your friendship this past year, and if you ever visit Belgium, please come and see me.

Sincerely,



STUDENTS



MARIAN NISKANEN

SWEDEN

My stay here has brought me more happiness than words can express, for not only was the year I have spent here in America enjoyable and gratifying, but it was an experience of a lifetime! It has given me the opportunity to meet the citizens of the United States—the people who always meet me with such warm and friendly smiles—learn new customs, and most important of all, enrich my educational achievements by attending a year of schooling in an American high school. All these inherent factors have added up to the sum total of a year full of excitement and joy. As my stay here comes to a close I would like to thank everyone at Mark Keppel for affording me the opportunity to enjoy such a wonderful year.

Sincerely,

Marian Niskanen

The symbols of a king represent the school's most highly honored organization — Crown and Sceptre, Senior Honor Society. The members of this organization represent the most outstanding students in the school. Each spring, sixteen students from the junior class — eight girls and eight boys — are selected to become members in this highly honored organization. They are installed in a special assembly and presented with small gold pins symbolizing their outstanding achievements. To be eligible for membership one must have maintained a high grade average and merit score.

Mrs. Conolly this year's advisor, has guided the organization in such activities as sponsoring card sections at football games, an after game dance, and serving as ushers at College Advisement Night, and Open House.

It is the responsibility of the graduating members to select the students from the junior class who are to be honored as members for the following school year. These sixteen students will proudly wear the symbols of outstanding achievement — the Crown and Sceptre.

As a reward for high scholastic achievement the members of this organization are given a holiday each semester.

Traditionally a trip to the beach is anticipated for the second semester.

A student gaining membership into this organization for three or four semesters plus one semester in the senior year is awarded life membership and is honored at graduation.

The AZTEC is the weekly publication of Mark Keppel. This newspaper reports the live happenings of the campus. Under the able leadership of Maxine Keith, the first semester editor, several outstanding stories were announced and revealed to the student body. Minority commentary and original stories were published for all to enjoy and read.

Joe Reid, second semester editor, highlighted the season with his complete but lively reportorial style. His work on the sport section garnered him the top writer of sports in the valley area. Each member of the staff works together like a team to produce a publication of real merit and worth. The staff attended several Journalism workshops coming away with a real sense of knowing that their job is well done.

Staff members have contributed to the community and have blazoned the name of Keppel across the community banners. This publication is all news and names. The names of each and every person on campus.

ENCHANTED VILLAGE

Enchanted evening was enjoyed by all at Keppel's fall backwards dance last November 4. Couples danced gayly to the music of the Tempos of San Gabriel. The evening was enhanced by weird and colorful costumes worn by many to depict natives from the darkest jungles in Africa.

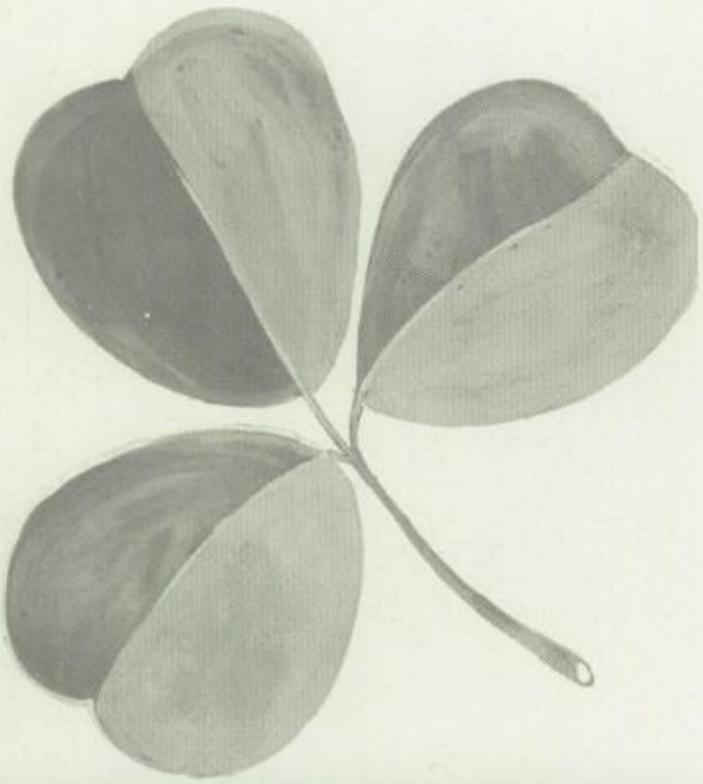
JOURNEY TO THE



Happy faces reflect the gaiety of the evening in a land of shamrocks and leprechauns.

A welcome addition to the festive evening was the Ventures' fine performance.

My Boy Jack

Irish jig or American stomp?

EMERALD ISLE

Matching attire of couples added to the lively Irish theme.

Journey to the Emerald Isle — the bright, green, glittering land of St. Patrick was this year's backward dance theme.

A lavish array of green shamrocks decorated the drab walls of the boys' gym. The very color seemed to come alive and turn the building into an enchanted, whimsical land. The Blue Notes serenaded the "floating" couples late through the night. The Ventures made an appearance for a publicity benefit for a teen-age magazine. And in the twilight hours when the band was gone and the decorations hung lazily on the walls—the last dancers returned from their journey to the Emerald Isle.

The radiant smiles of Queen Marie and her court reflect the gaiety of the dance.

HARDWOOD HOP

Anticipation, excitement and enthusiasm heralded the Hardwood Hop last February 16. In the halftime of an exciting basketball game, students watched the crowning of Marie Engledow and bouquets of flowers were given to Princesses Connie Broadhurst, Diane Fuhriman, Cheryl Ellington and Gail Williams. After the game, students stomped to the lively music of the Apollos and even the stately queen and her court felt the spirit of the dance and joined in.

A typical scene of crowds at one of the top dances.

Faces reveal the success of the dance.

The band adds the "twist" to the beat of the music.

THE CURIO

Roger Ornoff, Marie Engledow, and Bob Stephenson—hear no evil, speak no evil, and see no evil during the performance.

"This place is simply a mad house," says Gloria Herrera, collapsing in response to new reducing methods of Cloister inmate Roger Ornoff, while Karen Roberts, and David Cohen observe.

". . . the world is a stage . . ." The world of Mark Keppel is unique in the talent which makes our drama society one of the best in this area. This spring, under the direction of Mr. Mike Gegna, advisor, "The Curious Savage" was presented.

"The Curious Savage" was first produced in New York by the Theater Guild under the direction of Mr. Peter Glenville at the Martin Beck Theater. On October 24, 1950, Lillian Gish starred in the role of Ethel P. Savage. Since that time, the play has enjoyed the position of being one of the most produced plays in the country.

"Here, let me straighten your tie," states Marge Reider in an attempt to comfort Bob Stephenson during a moment of pressure from the outside.

"Does it bite?" asks Marie Engledow, as members of the Cloister household, Jackie Nelson, Bob Stephenson, and Roger Ornoff, express curiosity over Karen Robert's teddy bear.

During a moment in the all school play, "The Curious Savage," Jackie Nelson fondles her make believe child; Roger Ornoff plays the violin marvelously; and Bob Stephenson reads peacefully in an attempt to escape.

In June of 1961, Mark Keppel had the honor of co-hosting the National Association of Student Councils' 26th annual convention. This convention is held every year for the purpose of bringing student leaders from all over the United States, to share their resources in order to better student government and to build leaders for the future. This convention is of the utmost importance because the youth of America is the future of America.

This undertaking of both planning and executing the convention was done by students from Mark Keppel, San Gabriel, and Alhambra High Schools. The whole convention would not have been possible if these students didn't dedicate hour after hour and day after day of work, striving to earn Mark Keppel a name in the memory of all the delegates.

Special recognition should be made to Mr. Kemp and Jack McCarthy for their continuous dedication to this work. But this convention would never have been accomplished if it were not for the faculty advisors, community advisors, the chairmen, and the committee members. Everyone's work has been greatly appreciated and will certainly make this convention one to remember in building strong leaders for the world of tomorrow.

GLENDALE HOOVER

Opening the season in fine fashion, Mark Keppel's anxious-to-get-started Varsity squad upset a favored Hoover team, 21-6, at Moor Field.

Manuel Diaz, our 9.8 dash man, scored on sweeps of 10 and 12 yards and fullback Dave Haney climaxed the scoring with a drive from two yards out.

SAN GABRIEL

After a great start in their season's opener, the Aztecs ran into a little trouble the following week against the Matadors, their cross-town rivals. Despite a spectacular two touchdown outburst in the final minutes of play, San Gabriel's capemen eked out a hard fought 19-13 victory on Moor Field.

ARCADIA

Our Keppelites invaded the land of the Indians seven days later to tackle the mighty Arcadians. The soon to be Loop Champions Apaches had an easy night of it piling up a convincing 29-0 score and their first League win of the young season. Junior Bill Clingwald won "Aztec of the Week" honors.

EL MONTE

With hopes still high, the Aztecs played host to the rapidly climbing El Monte Lions and took it on the chin again for the third week in a row, 29-6. Rich Siegert chalked up our only score.

MONROVIA

With their ace sprinter and tailback Manuel Diaz on the injury list, the Keppelites came up with a fine surprise in the performance of junior signal caller Mike Smith. Smitty and Haney had a fine night in the backfield but the runnerups to the League Champs with their Player of the Year, Clavie Brown, managed to pull out a 25-6 triumph before the home folks.

MONTEBELLO

Determined to put an end to their four game losing streak coach Ed Austin's crew, on the strength of their fine defensive unit headed by the Kirkpatrick brothers, Casoli, Boone, Siegert, Nelson, Stupin, Downs, Ben Haney and Munro, smashed the Oilers from Montebello, 12-6, securing their first League win of the '62 season.

WHITTIER

Our Aztecs made it two in a row this week with a convincing 33-9 victory over a hurting Cardinal squad from Whittier. Manuel Diaz and Dave Haney teamed up behind a fired up offensive line to rip the startled visitors for their second league win. Diaz and Haney did the scoring.

ALHAMBRA

A thrilled student body and a beautiful Homecoming court turned out on Friday night, to honor retiring head coach Ed Austin and watch their spirited Aztecs tie their rivals from Alhambra 7-7 in the twenty-second classic meeting of the two schools. Trailing 7-0 late in the second quarter, fullback and captain Dave Haney, with a straight power play, drove over for Keppel's lone score.

Hidden Aztec defender Ronnie Down moves in to make tackle in tense moment of the classic Alhambra-Keppel contest.

Keppelites Manual Diaz, No. 29, Dave Haney, No. 15, and Don Munro, No. 27, charge in to spoil a Tornado pass in opening game. Keppel downed Hoover, 21-6.

On last down, Alhambra back gets ready to punt as Aztec's John Casoli, No. 10, and Bill Clingwald, No. 34, charge in. Immediately after this kick, Keppel drove down and scored. This was the tying touchdown.

No. 15, Dave Haney, Aztec fullback, (on the ground) is stopped by two Cardinal defenders after a 10-yard gain. Keppel easily rolled by Whittier, 33-9.

Keppel's defensive man Ben Haney, No. 13, is about to pick-off a Matador pass late in the third quarter of the San Gabriel game.

In tense moment of Alhambra-Keppel game, Aztec Manuel Diaz leaps up between two Moor defenders in vain attempt to snag pass.

Aztec end, Don Anderson, No. 30, prepares for tackle, but ball slips through a Moor receiver's outstretched hands.

After the final game with Alhambra, Coach Austin is carried from the field on the shoulders of the grateful players he molded.

A FOOTBALL LEGEND . . .

After twenty-two years of continued service to the youth of the community, Mark Keppel's head football coach, Edward Austin, has announced his retirement.

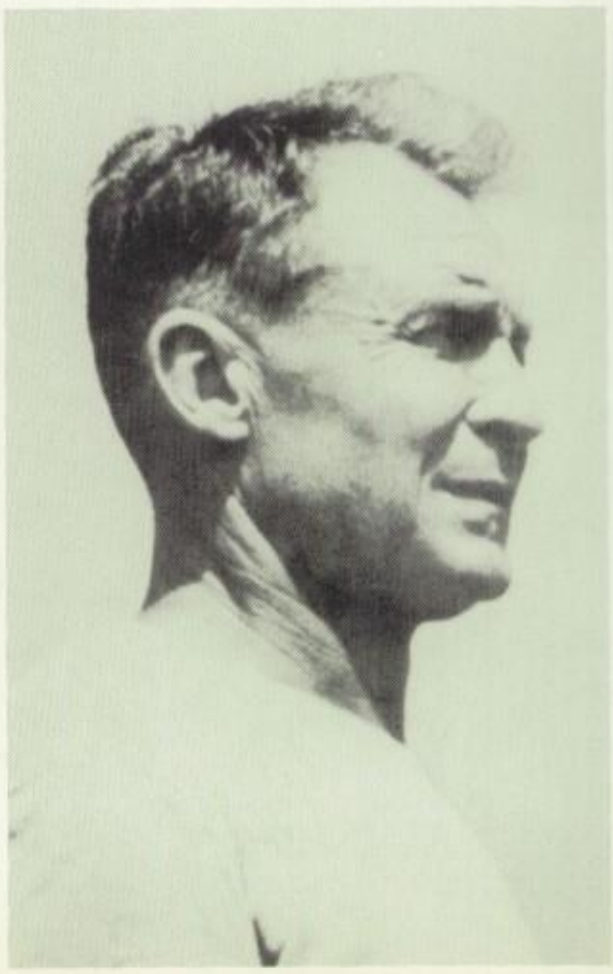
After twenty-two years of continued service to the instruction and guidance of boys in the community, Mark Keppel's head football mentor, Edward Austin, is retiring.

Although stepping out as head gridiron coach, everyone associated with him—not only here at Keppel—will be glad to know that Ed plans to continue with his other coaching assignments.

Mr. Austin's specialty is corrective physical education; he is an acknowledged expert in the field.

Coach Austin, himself, has been an All-Los Angeles City guard at Franklin High School before playing a starring role as a varsity performer with Bell Apauling's pre-World War II UCLA squads.

Principal Bruce Lawson, commenting on Ed's loss, has said, "Coach Austin has contributed much to the boys of Mark Keppel for the past twenty years. Many high school and college athletes owe a great deal of their success to his coaching. Above all, Ed taught and lived good sportsmanship."



In tense action from the Alhambra-Keppel Bee game, Aztec Kenny Kasha, No. 74, gets set to stop an unidentified Moor.

SWAN SONG . . .

As the last pages of the Teocalli go to press and the staff breathes a sigh of relief, I pause to ponder the work and figure out how it was finished on time. The theme this year, "Aura of the Aztecs", was chosen by the staff because they wanted to produce a book representing the spirit surrounding Keppel . . . its students, its faculty, and its activities. The job of Editor was made easy for me by the cooperation of all the staff in this effort and the others who helped in its completion.

I would like to give a vote of thanks to my able Associate Editor, Avalla Kilgo. For without her help and aid I know that I could not have completed this task. Thanks to Sandy Solomon, my Assistant Editor for the many hours spent in finishing the book . . . to Art Becerra for the great art work . . . to those students, not on the staff, who helped in times of distress . . . to Mr. Grubbs for his patience and cooperation . . . to Mr. Nielsen for his assistance in choosing the cover . . . to Mr. Warner and Mr. Noodleman for the financial consultation . . . to Mr. Hubbell, who helped us in many a problem . . . to all at Taylor Publishing Company and to all at S. K. Smith Cover Company who helped in producing the 1962 Teocalli . . . and to those students and faculty members who posed (endlessly it seems) for us, I say Thanks.

My sincere gratitude to Mr. Kilman for being an understanding and truly helpful advisor.

It is quite difficult to express the feeling one has for an annual when watching it grow from infancy. To experience the deadlines that are constantly there to be met and conquered . . . to spend precious time searching through trash cans for a picture that has been thrown away by mistake . . . and to schedule an outside picture for a day when it just happens to be raining. Yet, all I can say is thanks to you for letting me experience those moments, for I enjoyed every one.
